Dear Ms. Dubois:

The Virginia Department of Highways and Transportation (VDH&T) has advised us that the design of the Route 123 and Route 193 road improvements is now at the 25% stage of completion. In accordance with the announced policy of public reviews, I am calling for a meeting of the CIA Traffic Advisory Committee. This meeting will be held at 3:00pm Wednesday, 29 January 1986 in the conference room of the VDH&T offices located at 10777 Main Street, Fairfax, Virginia.

The purpose of this meeting is to review the 25% design package for the previously approved Alternative No. 2 concept. Mr. John Fowler of Dewberry and Davis will be the prime briefer for the presentation.

I look forward to seeing you or your designated representative at our 29 January meeting.

Sincerely,

Acting Chairman, CIA Traffic Advisory Committee
